EDUCATION

Java Development Program

May '25 - Aug '25

Tech Elevator

- Full-stack bootcamp designing software systems and solutions with 800+ hours of education and application

Cloud Computing Certificate

Sep '24 - Jan '25

CalTech

Online

Online program focused on Amazon Web Services and Azure.

Master's in software development

Sep '20 - Jan '22

Boston University

Boston

- Classes included Relational Database Management, Introductory Python, Web Development, Software Architecture, amongst others.
